SHAKTIMAN Fiberology

VOLUME 17, ISSUE 1

SEPTEMBER 2017

CII's 2nd Edition of International Conference & Deminar on Industrial Flooring "Challenges & Opportunities".

LEFT:
Presentation being given on Shaktiman® Steel Fibres and their advantages when used in concrete floors and roads.

BELOW:
Visitors at the stall showing keen interest in the technology

CII's 2nd Edition of International Conference & Deminar on Industrial Flooring "Challenges & Opportunities" was held on 12-13 September, 2017 at The Lalit, Mumbai, where SHAKTIMAN® Steel Fibres had been co-sponsors of the event.

LEFT:
A Demo Patch was Casted of SFRC Flooring Process to demonstrate the ease of usage of SHAKTIMAN® Steel Fibres in flooring projects. Also visible is how easily certain areas can be left out (not casted) without causing any loss of strength to the floor due to voids. One can also get razor sharp edges with minimal curling in this process.

40,000 sft. SFRC Industrial Flooring, Bhilai (CG)
